A Registered Nurse with 15 years' patient care experience in neonatology and a strong background in assessment, care planning, treatment and evaluation in the critical care environment.

### **ACCOMPLISHMENTS**

- Provided direct patient care to premature and full-term neonates with developmental problems, disease processes or congenital abnormalities.
- Involved in conducting quality assurance monitoring of treatments, procedures, equipment and documentation.
- Interfaced with members of the care provider team, patient, family and significant others and communicated changes in patient status.
- Developed a collaborative and comprehensive patient care plan that utilized the nursing process.

An enthusiastic, motivated professional who enjoys teamwork and possesses excellent skills in family education and support.

### **PROFESSIONAL EXPERIENCE**

**Community Medical Services, Inc.,** Los Angeles, California 2003-Present

#### **Registered Nurse**

Responsible for providing total patient care to sick neonates in Level II and III intensive care units in acute-care hospitals.

**Western Hospital,** Torrance, California 2001-2003

#### **Staff Registered Nurse**

Served as an NICU staff nurse in a Level II intensive care nursery for a 450-bed hospital.

- Prepared families for neonate discharge to home by teaching CPR, medication administration, equipment usage and physical care.
- Attended delivery for high-risk births and implemented resuscitation efforts for infants.
- Trained and oriented new staff to unit.

**Hawthorne Hospital,** Hawthorne, California 1995-1991

#### **Staff Registered Nurse**

Conducted initial physical exams on newborn infants that were admitted to Level II NICU in a 400-bed acute-care facility.

- Provided care to neonates born to mothers with substance abuse problems.
- Initiated and administered intravenous therapy and medication according to standard policies.

**MARY JONES, R.N.**

**Page Two**

**ABC Foundation**, Westwood, California
