A highly experienced clinical social worker with 17 years' experience working with adults, adolescents, families and seniors on adjustment, loss, transition, developmental and post-traumatic stress. A sensitive and perceptive therapist with excellent interpersonal, diagnostic and psychodynamic skills.

EXPERIENCE

Private Practice, Glendale, California 1990-Present

Clinical Social Worker

Maintain an active private psychotherapy practice dealing with depression, life transition, marital, career, stress and trauma problems.

Harbor-UCLA Medical Center, Los Angeles, California 2003-2007
A community mental health clinic, family, child and adult, outpatient psychiatric clinic

Clinical Social Worker

Provided outpatient evaluations and psychotherapy for children, adolescents, adults, families, couples and groups.

- Counseled ten patients weekly.
- Assessed patients concerning appropriate treatment modality.
- Presented cases at interdisciplinary staff meetings.

Children's Hospital of Orange, Department of Psychiatry, Orange, California 1995-2003

Clinical Social Worker

Provided outpatient psychiatric services for a wide range of clients and counseling situations, including individual psychotherapy for adults, seniors, adolescents and children; marital, family and group therapy for seniors and adolescents; bereavement counseling; counseling for victims of abuse; and chronically and terminally ill patients.

- Counseled more than 25 patients weekly.
- Participated in staff meetings concerning case management.

Little Company of Mary Hospital, Psychiatric Inpatient Unit, San Pedro, California 1992-1995

Chief Social Worker

Directed social services for a psychiatric hospital with inpatient and day treatment departments. Coordinated intake and discharge planning. Supervised and coordinated the therapeutic milieu, including nursing staff and child fellows.

- Developed a 20-bed, children's psychiatric inpatient unit, a joint venture between Children's Hospital of Los Angeles and Little Company of Mary Hospital.
- Participated in the peer review process.
- Provided counseling services for families of child patients and consulted with public agencies about treatment plans and community resources.
- Participated in the diagnostic evaluation of patients' parents and families.
